

PROTECT YOUR NEW VEHICLE FOR A LIFETIME WITH

DURA-SEAL®

Dura-Seal protectors are extensively researched products that will protect your vehicle's paintwork, leather or fabrics from the detrimental effects of constant exposure to environmental forces.

External forces such as Acid Rain, Tree Sap, Road Film, Bird Droppings, UV Rays and other atmospheric pollutants attack your paintwork, whilst interior finishes become stained, soiled or dry (leather) simply through day-to-day use.

YOU WILL RECEIVE

Lifetime warranty on protected fabrics! Stops spills from becoming permanent stains and keeps maintenance simple.

Lifetime warranty on protected leather! Stops staining, drying and cracking. Provides accidental damage repair and products to maintain your leather upholstery.

Lifetime warranty on paintwork!

- Painted surfaces retain that NEW look for longer
- No need to polish or wax your vehicle
- Reduces time-consuming maintenance
- Protects the future value of your investment

How Dura-Seal Paint Protection Works

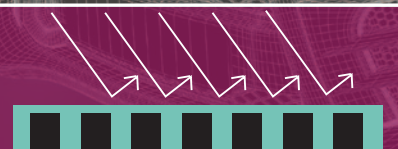

Magnified Cross Section of New Unprotected Paintwork

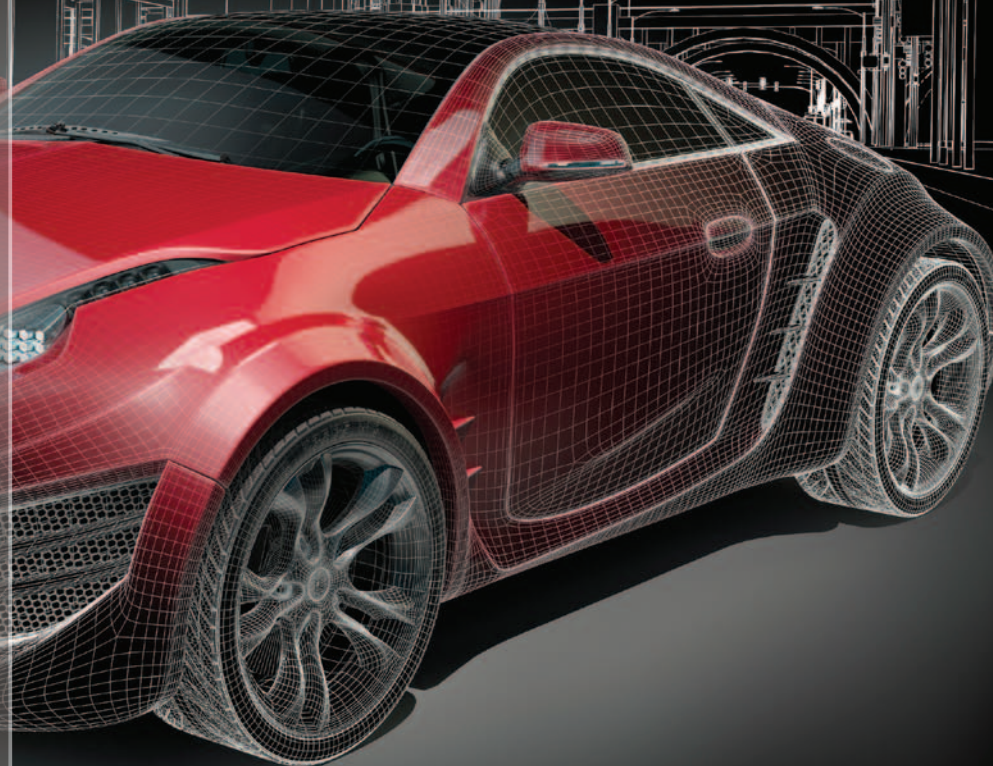

Traffic film and dirt and other atmospheric pollutants attack and corrode the surface of your paintwork

Dura-Seal Paint Protector creates a durable protective skin with a silky high gloss finish

Pollutants, bird droppings, grime and dirt are repelled, no longer contaminating your paint. Washing and general maintenance are simple and polishing and waxing a thing of the past
